to evacuate their houses. The petitioner being a servant in the Government's Chattram and as such - a public servant, protested and refused to evacuate his house, and spoke to the Amildar in a manner subversive of discipline. The Amildar had therefore to suspend him for his insubordination and reported the matter to the Assistant Commissioner in charge of the Taluk, who approved of the action taken by the Amildar.

On receipt of the petition under reply, the Amildar was asked to send up the records with a report on the merits of the case. On perusal of these papers, my predecessor

ordered his restoration to office
and directed that the period of
his absence should be treated
as being on suspension

No-1 3 The vernacular papers on
the subject are herewith submitted
for favour of perusal and kind
return.
